

SOMEONE WANTS TO TAKE CARE OF YOU!

Bay Area Community Health Advisory Council (BACHAC) in partnership with Mills Peninsula and the Peninsula Health Care District are honored to offer free early detection mammograms to uninsured women in the community.

THE COMMUNITY BREAST CARE PROGRAM IS NOW OPEN MONDAY THROUGH SATURDAY.

- If you would like to register to receive your mammogram through this program, please call

Evelia Chairez 650.483.9663

Julio Campos 650.888.6071

- To make your appointment yourself you can call directly at 650.696.4494 (Mills Peninsula scheduling hotline) and say that you are part of the Community Mammogram Program and let us know about your appointment to ensure that you will not receive any fees.
 - Whether or not you have health insurance, you may qualify for financial assistance.

AN EARLY DETECTION MAMMOGRAM IS FOR YOU IF:

- You have not had a mammogram in the past year.
- If you do not have symptoms such as pain, lumps or redness in the breast area.
 - If you are over 40 years old.
